Order Instituting Rulemaking to Promote Policy
and Program Coordination and Integration in
Electric Utility Resource Planning.

Rulemaking 04-04-003
(Filed April 1, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING
ADDRESSING MOTION TO AUGMENT RECORD**

On September 23, 2005, the California Independent System Operator (CAISO) moved to augment the record of Phase 2 of the resource adequacy requirements portion of this proceeding to "facilitate preparation of the Commission's upcoming Phase 2 draft decision and order." (Motion, p. 2.) The CAISO asked that documents pertaining to a deliverability study, a local capacity analysis, and the Market Redesign Technology Upgrade Project be incorporated into the record. The draft decision was mailed on September 27, 2005, rendering the CAISO's motion moot.

IT IS RULED that the CAISO's September 23, 2005 motion is dismissed as moot. This is without prejudice to consideration of the same or similar documents in Rulemaking 05-12-013, the successor to this proceeding with respect to resource adequacy requirements.

Dated March 2, 2006, at San Francisco, California.
